

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 438 - HB 473

March 22, 2011

SUMMARY OF BILL: Adds the costs incurred in the operation and maintenance of printing equipment to the additional fees that may be assessed when preparing requests for public records having commercial value.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Local governments are currently authorized to impose reasonable fees for copies made pursuant to a request for public records having commercial value, including computer generated maps. Adding operation and maintenance expenses of the printing equipment to the existing list of fees that may be charged will not significantly increase local government revenue.
